Dear Parent/Guardian,

In response to State directives regarding reopening school with adequate precautions to prevent the spread of this contagious disease, the Bayonne Board of Education has submitted plans to provide in-person, fully virtual and hybrid learning opportunities for all students.

The Road Back: Restart and Recovery Plan for Education, for scheduling students for in-person, remote, or hybrid learning, families/guardians may submit, and the district shall accommodate, requests for full time remote learning.

Recognizing that planning is required in order to provide continuity in the student's educational program and arranging the appropriate staff and resources, a family/guardian shall submit a request for full-time remote learning, including requests to begin the school year receiving full-time remote learning and requests to transition from in-person or hybrid services to full-time remote learning during the school year.

Procedures for submitting the request are as follows:

- Requests shall be submitted to the principal by the listed date for each Marking-Period/Trimester (See Image *Full-Time Remote Learning Request*);
- Requests will be submitted using the form provided on the Bayonne Board of Education website or click the link below:

[Request for Full-Time Remote Learning](#)

- Requests shall be approved within 3 days after the receipt of the request;
- Students that op-in to the full-time remote learning instructional program are eligible for all extracurricular and cocurricular activities.
- Please complete ONE survey per child. (You can add additional children at the end of the survey. After you select submit you have the option to select "submit another form").
