Dear Bayonne School District Family,

Yesterday I introduced you to the July Edition of *News and Notes*. The focus of the article was on all the academic programs taking place throughout the district. As I pointed out, there are many opportunities for students to avoid the “**summer slide**” and take advantage of a “**summer stride!**” I will update you in future commentaries on our bonus programs that are taking place early August.

In the area of Community Education, the summer season kicked off with three camps sponsored by the Bayonne Board of Education in Tennis, Boys’ Basketball, and Girls’ Basketball. These programs featured the Bayonne High School (BHS) coaches and ran from Monday, June 27<sup>th</sup> through Thursday, June 30<sup>th</sup> and were located on the BHS campus.

Additionally, the Bayonne Board of Education has a long-standing partnership with the City of Bayonne.

The Bayonne Board of Education sponsors thirteen sites throughout the City of Bayonne and provides 1,185 meals for children daily.
