Dear Bayonne School District & Families,

Spring is here and the birds are tweeting. ... are you? Well, here at the Bayonne Board of Education, we are! Twitter and 'tweeting' is about broadcasting short burst messages to the world, with the hopes that the messages are useful and interesting to others.

In this short 140 character format, Twitter is an ideal way for you to stay up-to-date with what is happening in your child's school as well as to stay informed about future events. Please "Follow Us" on your Smartphone, tablet, laptop or desktop computer!

As Twitter is web-based, we adopt exactly the same rules for our school Twitter account as we do for our school website. No photographs of your child will be displayed on Twitter if you have not given permission for your child's photo to be used on the website.

Please note that the school will not 'follow' any personal accounts on Twitter and that 'direct messages' will also not be responded to. If you wish to contact the school, please do so via the usual methods.

We are always aiming to further improve our links between school and the home and we hope that you will find this an exciting new initiative.

Sincerely,

Patricia L. McGeehan, Ed.D.

Superintendent of Schools
