

Dear Parents:

Your children will be participating in many interesting and exciting projects during the coming school year, and we would like to make it a memorable time for them. In order to accomplish this, we are planning newspaper articles and feature stories, and whenever possible, pictures of the students will be submitted to the local newspapers for publication. Also, whenever possible, video and television coverage will be aired on the local stations.

If you have any objections to having us include your children in such media coverage, either print, picture, video or television broadcast, please sign and return the bottom portion of this letter with the names of the students and their grade level.

Only return this form if you have objections to your child/children appearing in the media.

Sincerely,
Richard Spirito
