RE: Proposed transportation policy and regulation changes

The district is in the process of reviewing policy as it relates to the transportation of students. The policy review commenced in the Fall of 2016 with an emphasis on student safety and the creation of a formal hazardous route policy, and has involved various community stakeholders. The proposed policy was submitted to the Board of Education for the first reading on March 13, 2017. Per Board policy, the second reading is scheduled to take place on March 27, 2017.

Please note that the new proposed policy and regulation may impact your child's transportation eligibility. A copy of the proposed policy can be found on the district's website (Departments – Transportation). Parent feedback to the proposed policy change can be submitted to transportation@marsd.org or in person at the parent information sessions. These information sessions will take place in the administration building on the following dates/times:

- Tuesday, March 21, 2017, at 1:30pm
- Wednesday, March 22, 2017, at 6:00pm
