Dear Preschool Families:

In an effort to celebrate the hard work of all our preschoolers this year, we are going to recognize both 3 and 4 year old students with an End of the Year Celebration. The New Jersey Department of Education recommends that an appropriate end of the year celebration should be participatory and meaningful for all the children. Familiar music and movement activities, reciting poems and finger plays, or acting out a familiar story are all appropriate choices to incorporate into the designated day. The celebration will be most comfortable for the children if it takes place in a familiar location such as the classroom or familiar outside area.

These celebrations will be done on the Mary E. Volz field on Monday, June 12th, 2023 (In the event of inclement weather the program will be moved inside). Six tickets will be given per child, and the program will last about 15 minutes. This is a normal school day, and your child should report to school at the normal time. If you plan on taking your child after the program, they must return to the building with their class, and you can sign them out at their designated arrival/pick up location.

The start times for each class are as follows (please only stay for your child's celebration):

McDonald 9:00 am

Kupiec 11:00 am

Putnick 9:30 am

Carbone 11:30 am

Richter 10:00 am

Gillin 12:00 pm

Frick 10:30 am

Thank you for your continued support.
