Dear Parents/Guardians,

This letter is to communicate the Halloween parade schedule for Volz School. Please remember that student costumes should be school appropriate, and not portray violence or have weapons included. Costumes should also not be obtrusive or impede the students' normal school day. If parents wish to dress up for the parades, please do not wear "Halloween" masks of any kind to ensure student safety. In the case of inclement weather, the parades will be held indoors, and unfortunately parents will not be able to attend. All parades will be held on the Volz field on October 31<sup>th</sup>, 2024. Preschool and 4<sup>th</sup> & 5<sup>th</sup> grade teachers will provide more information regarding additional Halloween activities such as parties.

Please see the parade times below:

**Pre School:**

- 8:45 AM parade

**4<sup>th</sup> & 5<sup>th</sup> Grade:**

- 1:50 PM parade

**6<sup>th</sup>, 7<sup>th</sup>, & 8<sup>th</sup> Grade:**

- Students can wear their costumes to school as long as it does not impede their school day. Please remember no weapons, violent themes, or costumes that may be offensive.

Thank you for your support,

Steve Pili
