Dear Parents / Guardians,

Beginning Friday, 10/17/25, you will have an opportunity to schedule a conference with your child's teacher(s). This module will close on 10/22/25, so if you miss this window you will need to reach out to the teacher directly. By logging into your Realtime Parent Portal you will see a conference tab on the left side. Click that tab, and select your preferred time. There is a demonstration video link below if you need assistance. Parent-teacher conferences are scheduled for 11/3, 11/4, and 11/5. You may schedule conferences for more than one teacher. Any other staff member who is involved in your child's education such as: a school nurse, counselor, CST member, or interventionist you need to email them directly to schedule a conference. If you would like a virtual conference, please sign up, and email the teacher your preference.
