Volz Families,

This letter is to communicate a personnel change within the School Counselor position. With the School Counselor position being such an important role in our school, I found it important to inform families that Mrs. Mangino will be beginning her leave tomorrow, 11/12/21. This also comes with exciting news that we will be welcoming Mrs. Nancy Bada back to Volz School for the duration of Mrs. Mangino's leave. Mrs. Bada has worked in the district previously, and has a great understanding of the community. Please feel free to reach out to Mrs. Bada regarding any academic or social concerns.
