April 10, 2024

Volz Families,

As you are aware Thursday, 4/25/24 is Take Your Child to Work Day. If you chose to bring your child to work with you that day, we hope you have a great experience together. With that, please remember the following if your child attends work with you:

1. Please be sure to call your child's school and report them absent.
2. Please make sure to get a note on business letterhead from your employer confirming your child's participation on that day so it is an excused absence.

Sincerely,

Steve Pili

Principal
