April 17, 2026

Volz Families,

As a reminder, **Thursday, April 23** is "Take Your Child to Work Day." We hope those of you participating have a wonderful and inspiring experience sharing your professional world with your children.

To ensure a smooth day for both your family and the office, please keep the following requirements in mind:

1. Please be sure to call your child's school and report them absent.
2. Please make sure to get a note on business letterhead from your employer confirming your child's participation on that day so it is an excused absence.

Sincerely,

Steve Pili  
Principal
