November 2022

Dear Runnemede Families,

We are pleased to announce that Volz will be offering extra academic help for grades 4-8 in the areas of ELA and mathematics beginning November 14th, 2022. This assistance will be offered Monday through Thursday from 2:15-3:15. Students may attend every day or as their schedule allows. Depending on the interest level, seats may be limited, therefore we ask that you complete a permission form attached below and send it in by November 8th, 2022. If we have a large response, we will work on a first come-first serve basis. Once groups are established, you will be contacted by the school via email. There will not be transportation after these sessions, therefore students can walk home or be picked up.

Thank you,

Steve Pili
Principal
