Dear Parents / Guardians,

I hope that the first full week of remote learning is going well for all of our students. With that I wanted to provide you with a few reminders / updates.

1. Please remind students that they are required to be in all their cases virtually throughout the day. If they do not attend it will be recorded as an absence for the student. If they cannot attend, please have the student email the teacher.
2. Please remember that the student code of conduct is in place for all virtual learning classes. This includes dress code, and cell phone usage.
3. Please remind students that cell phone usage during a virtual lessons are not permitted unless the teacher asks the students to use them to assist in the lesson. Specifically, remind students to not take pictures during any lessons.
4. If a parent or a student needs to pick up any resources from school, please call ahead to be sure the item is set aside.
5. If a student has a technology issue, please use the "Parent Tab", and complete the "Chromebook Issue and In-take Form".
6. Please remind students that all their activity is monitored through Go Guardian at all times when on a school device. Please review the below document regarding the Go Guardian features.

Thank you,

Steve Pili  
Principal
