May 13, 2022

Dear Parents and Guardians,

We will continue to administer the New Jersey Student Learning Assessment (NJSLA) to students during the next two weeks. This assessment is designed to match the content and skills outlined in the New Jersey Student Learning Standards that guide our classroom instruction. All students will be assessed in Language Arts and Mathematics. In addition, students in grades 5 and 8 will also be assessed in Science. The remaining testing schedule is below:

**Week of May 16th - 6th, 7th, 8th Grade - ELA (Mon/Tues/Wed) Math (Th/F)**  
**4th & 5th Grade - Make-up testing**

**Week of May 23rd - 6th, 7th, & 8th Grade - Make-up testing**  
**5th Grade - Science (Tues/Wed)**  
**8th Grade - Science (Tues/Wed)**

Please make every effort to ensure that your child arrives at school on time and gets a good night's sleep. It's also important that every student brings a fully charged chromebook to school. Students are encouraged to bring in headphones/earbuds. **However, airpods/wireless headphones, and cell phones are not permitted in the classroom during testing.** We expect to receive assessment results towards the end of the summer, and these results will be distributed to parents. Thank you and have a great day!

Sincerely,

Steven Maloney
